Terms and conditions

The rental of the boats is binding. In case of cancellation or rebooking, CHF 30.– per boat will be charged as processing fee. Cancellations later than 24 hours before the start of the rental will be charged at full price unless the water level rises above 255 qm/sec in Thun.

The renter is hereby expressly informed that the use of the sports equipment rented out by Aarebootsvermietung, in particular rafting boats, is at his own risk. Aarebootsvermietung disclaims any liability for the use of these. Furthermore the renter is responsible for all consequential damages resulting from the use of the equipment. The renter is fully liable for any damage or loss of the equipment, as well as for any replacement and repair costs, as well as loss of earnings. (No glass bottles in the boats.) The renter is responsible for sufficient insurance coverage.

The agreed place of jurisdiction is **Thun, Switzerland**.

The renter is responsible that each participant has watched and understood the instruction video.

If the equipment is not picked up at the agreed time, we reserve the right to rent it out after 1 hour. If you arrive later than half an hour after the agreed handover time, we reserve the right to charge an additional CHF 20.– per hour or part thereof.

All rental material must be back in Bern Eichholz at the latest by 6 p.m. For each hour or part thereof that the rental material is returned late, we will charge an additional CHF 50.–. If rental equipment is not returned at 7 p.m. we will inform the police which will start a search – the cost will be charged to the renter. For boats that miss the disembarkation point and have to be picked up by us at Marziil, we charge a fee of CHF 50.–. We have no disembarking permit there – any fines that occur will be at the renters cost.
